Submission policies & procedures

1. The submission deadline is **June 1, 2017**. Presenters will be notified of acceptance by August 1, 2017.
2. Authors may apply by going to <http://SyIHTQ.org> and filling out the Papers and Presentations Application and submitting an abstract of the paper or presentation. If accepted, authors will be prompted to submit the full paper and/or presentation at a later date.
3. In addition to the paper or presentation, authors will be asked to submit a digital photograph and a short biography of themselves.
4. Authors retain copyright over all submitted material.
5. Submission must be entirely original. It may be under concurrent consideration elsewhere, and/or scheduled for presentation elsewhere. Authors may also present papers that are previously published for which they hold copyright, or drafts not yet ready for publication.
6. There are no fees for reviewing the paper. There are no fees for publication in the proceedings (with the exception of papers with more than 20 pages, in which case there will be a \$20 per extra page fee).
7. Authors for papers published in the proceedings must have an academic rank and affiliation. Anyone with reasonable instructional or practitioner qualifications may submit a presentation.

At least one of the authors must certify his/her intention to register for and attend the symposium to present if the paper or presentation is accepted. Academic presentations are typically between 10 and 20 minutes long. Registration fees must be paid prior to presentation or publication. Presenters qualify for a discount on the registration fee.

Review process

Papers are **double blind peer reviewed by two reviewers**. Authors must avoid revealing their identity or affiliation within the body of the paper and/or the references.

Publication of accepted papers in Proceedings

If accepted for presentation and publication, authors will be notified and sent guidelines for formatting the paper for publication in the proceedings. The final version of the paper must be received by **September 30, 2017** to be included in the proceedings. Expected publication is Spring, 2018.

Submission for publication in Journals

Qualified papers will be selected from the proceeding to be submitted to one of the following partnering journals for further review and possible publication:

- **Journal of Leadership and Management**
- **Integrative Medicine Research**
- **Integrative Medicine: A Clinicians Journal**
- **Alternative Therapies in Health and Medicine**
- **Advances in Mind/Body Medicine**

Journal editors will review the papers independently and make a publication decision based upon the criteria for the publication. Publication fees may apply.

Registration if paper/presentation is accepted

The deadline for registration is **August 21, 2017**.

Authors and Presenters may register at <http://SyIHTQ.org>, or by mailing the registration form and appropriate fee to
