About the Symposium
The Symposium for Integrative Health, Tai Chi & Qigong event is an informative and fun-filled conference to be held on Saturday, August 13, 2022 online. While we usually hold it at Maris Stella Conference & Retreat Center, Harvey Cedars, Long Beach Island, NJ, due to the pandemic, this year it will be an online event. It is comprised of health seminars, martial arts workshops, and meditative activities.

We draw a dedicated and enthusiasts’ group of local participants who often are teachers and integrative healthcare providers. We will also be broadcasting worldwide via Zoom.
