484-332-3331 <http://SylHTQ.org>

We are Looking for Sponsors!

Would you or your organization like to be listed in the program brochure and on our website for the Symposium as *Sponsors*? We would *love* for you to do so. Any organization in accord with our cause (Health, Prosperity, and Leadership) may become a sponsor.

Sponsors are those who support us and provide funding in order to decrease the costs for participants. They get the following:

- a half page ad in our program guide given to all participants,
- a 3-day pass to all workshops (to be used or given away),
- 2 night stay in the shared house, Holy Family, on the bay at the event (to be used or given away).
- listed on our web site on the sponsor page,
- are introduced and thanked at the Saturday evening banquet, to which you are invited as our guest.
- get a special "promo code" which gives a discount (up to \$50) to anyone using the code.

Additionally, sponsors may provide a small token or item or flyer or coupon to be given to each preregistered attendee. This is a great way to promote your products and services that will go beyond the event itself as attendees may go home and, if they can't use it themselves, will give it to someone else!!!

The fee for sponsorship is \$300. Please note that in 2019 we will not be having a formal expo with designated tables, though any sponsor is free to put items of information or sales out on the tables around the conference center room.

The deadline to apply for sponsorship for the September 6-8, 2019 event is **August 25, 2019.**

Contact CJ Rhoads at CJRhoads@HPLConsortium.com.

About the Symposium

The Symposium for Integrative Health, Tai Chi, & Qigong event is an informative yet fun-filled conference held on Sept 6, 7, and 8, 2019 at Maris Stella Retreat Center, Harvey Cedars, Long Beach Island, NJ. It is comprised of three days of health seminars, martial arts workshops, and spiritual retreat activities. We generally get a small but dedicated and enthusiastic group of participants who often are teachers and integrative healthcare providers with access to other students, patients, and clients. They come because of our...

- Fabulous renowned workshop leaders.
- Qigong activities on the beach at sunrise and on the bay at sunset.
- Scrumptious formal banquet on Saturday evening.
- Meet fellow practitioners from all over.

Hosts

The Symposium for Integrative Health, Tai Chi, & Qigong event is primarily hosted by three organizations: [Asklepios](#) and [Taijiquan Enthusiasts Organization](#) and [Complete Mind Body Spirit Tai Chi Association](#). All three organizations are programs of [HPL 501c3 Institute](#), an umbrella organization dedicated to helping small groups and non-profits enable people to achieve Health, attain Prosperity, and develop Leadership.

Asklepios is a group of researchers dedicated to ensuring rigorous and scientific methods are applied to research on integrative healthcare studies such as Tai chi, Qigong, Massage Therapy, Yoga, Pilates, Meditation, Lifestyle Change, Nutrition, etc. They publish research agendas in the integrative healthcare space, support research projects, conferences, journals, and other publications dedicated to spreading factual and proven information about integrative therapies while dispelling and discouraging non-reproducible and non-testable therapies such as gurus and faith healing.

Taijiquan Enthusiasts Organization is an open society of Taijiquan enthusiasts dedicated to practicing Taijiquan (also known as T'ai Chi Ch'uan, Tai Chi, or just Taiji). Tai Chi includes three pillars of Internal Martial Arts Practice: Form, Qigong, and Push Hands. Taijiquan is an ancient Chinese martial art known for its health benefits as well as being functional for self defense. Our mission is to share the benefits of Taijiquan.

Complete Mind Body Spirit Tai Chi for Health Association is an all volunteer, non-profit 501c3 organization started by David Elston-Phillips and Isse Elston. While David passed away in 2010, Isse continues to teach both public and private classes in Bucks County, Pennsylvania. Classes include all skill levels. It is a co-operative learning environment, not competitive. A typical class usually consists of an assortment of activities. These can include: Yang style short form, Qigong, the Animal Frolics, the Eight Brocades, Shaolin Temple exercises, the Five Elements and the Four Directions, and a meditative form drawn from Falun Dafa (sometimes called Chinese Yoga).
